

## LEGAL NOTIFICATION TO TOWNSHIP RESIDENTS

Essex County Department of Public Works will be planting street trees on County roads in the Township of Montclair, NJ during the month of October 2009. Streets where plantings will occur are Grove Street, between Gordonhurst Avenue and Mount Hebron Road; Watchung Avenue, between Upper Mountain Avenue and Ridgewood Avenue; and Bloomfield Avenue, between Orange Road and Prospect Avenue. Locations and tree selections are determined by the utility strip size and the presence of overhead wires. This planting is a partnership between the County of Essex, the New Jersey Tree Foundation, and the Township of Montclair. For more information please contact the Essex County Department of Public Works Shade Tree Division at 973-239-3366 x240.
